

SERIOUS ILLNESS?: PALLIATIVE CARE AND HOSPICE CARE CAN HELP

Palliative Care

- Comprehensive care that focuses on:
 - Quality of life for you and your family
 - Your goals and values
 - Pain control
 - Care coordination
- Can start anytime
- Occurs along with curative treatments
- Social workers can connect you and your family with community resources such as adult day care
- Coordinate with your primary provider to arrange home health care

10, 2

Hospice Care

- Holistic care that focuses on:
 - Quality of life for you and your family
 - Your goals and values
 - Comfort and pain control
 - Preparing you and your family for the end of life
- Starts when curative treatments are stopped
- Offers licensed professionals to help you and your family in the home
- Social workers can connect you and your family with community resources
